Dear Sirs,

We would like to take this opportunity to thank and complement the whole team at Abertay for the professionalism shown during the replacement of our bathroom. It is very encouraging to find a firm, in this modern age, which still takes a pride in the work they produce. Everything went according to plan and the work completed within the week.

We are delighted with our new bathroom, to the extent that if any prospective client wishes to see the quality of work you produce, we would be very happy to allow them access to our home.

Thank you all once again,

Regards,
