**Dear Jim**

**Belated thanks for the superb service and beautifully finished bathroom installed by Abertay Interiors at the above address. We are delighted with the finished result and cannot speak highly enough about the professional way the work was carried out. We will have no hesitation in recommending your service to anyone considering a similar refurbishment.**

**Thanks to everyone involved especially Fred who had to put up with the confusion over the tiles which was entirely my fault.**

**Yours sincerely**
