

## THANKS TO ABERTAY BATHROOMS

If bathroom style is what you need  
Call Abertay - it's guaranteed  
They'll do a super job for you  
Inside a week - it's really true!

Our bathroom was so dull and old  
Lacking warmth and growing mould  
Crumbling walls and rotting floor  
A place we could endure no more

But Abertay have done their part  
And now it's like a work of art  
A brand new bath and lovely shower  
Just the place to spend an hour

Ceiling lights and unit too  
To store the bottles of shampoo  
Heated ladder on the wall  
To warm the towels for us all

A nice new loo with soft close lid  
A cabinet keeps our junk all hid  
A tiling job completes the task  
Abertay's done all we ask

Thanks to all, you've been so great  
Your service really is first-rate  
We'll sing your praises far and wide  
Our bathroom fills us both with pride!

Best wishes from Jo & Dave Wood, Tayport
