Dear Sirs,

We would like to say a very big thank you to all at Abertay for our lovely new bathroom which was just finished on Friday. We were delighted with your prompt service and especially pleased to get the job done a whole month early. Everyone was so professional and prompt and we can't believe it only took 5 days to complete.

We had been needing to get the job done for a while now but wanted to be sure we could get a firm that we could rely on to do it with no hassles (having heard lots of horror stories about other firms) and we certainly got excellent service from Abertay and all at a good price.

It's great to find a firm that takes customer service seriously and appreciates their customers. We were pleased to see that there were no annoying salesmen trying to pressure you when we first entered the showroom and no hard sell from anyone. Everyone was very hard working and courteous and started and finished when they said they would.

We will certainly recommend you to all our friends and colleagues.

Well done.

Yours sincerely

Dave and Jo Wood
