Dear Eddy

After you did the Bathroom for us, we had no hesitation in coming back to ask you to do our En Suite.

Now that it is finished, it is obvious how much care and attention everyone who works on it takes. It is really appreciated, and the finished result is stunning.

When there was a delay with the tiles, you were extremely helpful and very patient, and that is unusual these days.

It has been a pleasure doing business with you, and we won't hesitate to recommend you.

Yours sincerely
