Dear Eddy

Now that the bathroom is finished and looking lovely I just wanted to write and let you know how delighted we are with it.

The showerbath is a great success, suggesting that was a great idea, as you really get the best of both worlds.

We are very pleased with the dark tiles against the white cupboards and suite, they are quite a contrast and just make it a bit different.

Thank you also for doing the work while we were away, it all worked out well. Can you also pass on our thanks to all who worked on it, it is much appreciated.

Yours sincerely
