TO: Abertay Interiors Ltd
Unit 2,
63 Brown Street,
Dundee DD1 5AQ.

Our bathroom conversion has just been completed by your good selves. My wife + I are so thrilled with the result that we simply had to write + thank you.

Contacting Abertay put us in touch with a team of people who:

- listened carefully to our needs.
- incorporated those into a practical design.
- turned the design into a superb bathroom, completed on time, + to a high standard.

How was this possible? Simply, the owner of the company works + personally supervises each stage of the job. It is his keen eye + experience that guarantees such professional + consistent results.

Our sincere thanks once again.

Phyllis + David Miller

P.S. For a good job today, don't delay.
Just contact ABERTAY!!!

P.P.S. Sorry for this handwritten effort. I have just given away my whole computer system to a young student + have not yet replaced it.
